

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since the year 1959. Whether the job entails landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler would really help make the task go easier and faster. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system provides eighty inches of boom travel for precision placement capabilities. Different optional attachments is available for Lull telehandlers to help do whichever task.
