

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements along with their knowledge of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

When considered necessary, the employees within TREK and its various dealer members in both technical support and parts will be accessible. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that eventually lowers your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
